

**Testimonial from Emirates Insurance Association - Secretary General – Mr. Fareed Lutfi
Conference:**

The 8th INSUREX 2011 conference recently held in Dubai was filled with powerful and knowledgeable speakers. The subject matter was timely and interesting for those of us in the industry. It was an honour to participate as a panel member not only to deliver a presentation that is relevant to our current challenges in the field, but also as a participant as the other speakers presented their topics succinctly and with vigor.

Awards Night:

The awards night held at the 8th INSUREX 2011 conference was such an enjoyable evening. It was not only geared towards the industry professionals attending but also accompanying family members. It was entertaining and lively unlike most other similar gatherings. It was evident that great effort was put forth to bring this evening to fruition as a wonderful event unfolded before us.

Testimonial from Zurich Middle East General Insurance – Chief Executive Officer, Mr. Maroun Mourad

Zurich is delighted to have won Reinsurer of the Year at the 2011 Insurex Awards. Having entered the regional market in 2009, this is a reflection of the dedication of our staff and the quality of our partners. It also stands testament to our unwavering client focus and our desire to deliver when it matters, validating the trust our customers put in us.

We are particularly proud to have won the Insurex Award as it is judged by an international panel of industry experts, backed by Policy Magazine. Our aim on entering the market was to become the leading reinsurer in the region. Winning this award, with the credibility and reputation that surrounds it, sends a clear message that we're on the right track.

Testimonial from Hybrid Health Solutions - Chief Executive Officer, Ziad Arnout

"The insurance industry is dynamically changing and the future will witness various challenges: Inusrex came to address industry trends and innovative new strategies in a professional manner. It was also a great networking opportunity".

Testimonial from National Health Insurance Company – Daman Chief Executive Officer, Dr. Michael Bitzer on Insurex 2011

"Insurex 2011 has continued the success the previous events have had. The conference featured well-rounded topics that offered valuable insight into the challenges and opportunities of the industry. I have found the gala dinner awards ceremony to be entertaining and a joyous event to meet with peers and partners."

Testimonial from AGILE Financial Technologies – Chief Executive Officer, Mr. Kalpesh Desai

"The conference, as always, was well staged, and the topics discussed were extremely relevant in the context of the economic inflection points faced in the region today. We look forward to supporting Insurex in the years to come."

Testimonial from Gen Re – MD & Regional Director Life & Health MENA & Cyprus, Mazen AbuChakra

Insurex is a good platform for exchanging views in the region and establish norms - Its comprehensive topic nature makes it an interest to players across the board - Good Luck and keep the hard work!!
